Dear Ms. Vancoetsem,

In response to your request we are very pleased to inform you that:

EBAMP accredits the *EUTEMPE-RX Module 7: Optimisation of X-ray imaging using standard and innovative techniques (Online and face-toface course)* held online from 15 of June 2017 at *Guildford, UK* and scheduling 80 learning hours, as CPD event for Medical Physicists at **EQF Level 8**.

The event has been judged according to the EBAMP protocol and it has been assigned: **CPD credit points 123 (91 CPD credit points** for those participants who do not sit for or do not pass the examination).

The Accreditation Code for the event is: **APP00037**

Please remember that the following text:

“This course has been accredited by EBAMP as CPD event for Medical Physicists at EQF Level 8 and awarded 123 CPD credit points (91 CPD credit points for those who do not sit for or do not pass the examination)”

is mandatory in the publicity of the event and in the diplomas / certificates awarded to participants (according to those who pass or do not pass the examination).

Yours faithfully,

Dr. P. Galan
Chair of EBAMP

Prof. K. Theodorou
Secretary General of EBAMP
